

## Tax Hike Vote On Saturday

Saturday, January 23, is the date set for the referendum which will decide whether or not the educational tax rate at Antioch Community High School will be raised 15c per \$100.00 assessed valuation. The present tax rate is 75c. The Board of Education has asked that voters approve a tax rate of 90c.

The polls will be open from 12 o'clock noon Saturday to 7 p.m. Voters will cast their votes in one of the following three precincts:

Precinct No. 1: Voters from Antioch Township and Newport Township will vote at the Antioch High School Building.

Precinct No. 2: Residents of Lake Villa Township, except Lindenhurst residents, will vote at the Lake Villa Grade School.

Precinct No. 3: Residents of Lindenhurst will vote at the B. J. Hooper School in Lindenhurst.

The Board of Education estimates that they can continue to operate for one more year at the present educational tax rate without running "in the red." If the educational tax hike is approved in this referendum, the school will start receiving the increase in 1967.

The Board has cited the growth of the school, outstripping the growth in assessed valuation, as the main reason for the need for increased funds. Added to this is the general rise in cost of supplies, teachers' salaries, etc.

"A favorable vote on the referendum," board members said, "will enable the Board of Education of the high school to maintain and improve the standards and quality of education currently in existence at the school."

"Through the years the boards of education have provided a good program while practicing economy, efficiency and prudence. However, the rise in cost of equipment, instructional supplies, maintenance and staff salaries continue to increase with the cost of living and the rapid growth in student enrollment."

The board feels that a good over-all program exists in the high school. The quality of the program, they state, is reflected in (1) the quality of the teaching staff. Over 50% of the faculty has acquired advanced degrees and several more teachers are involved in graduate programs. The annual turnover is small, making it possible to hold instruction at a high level because of experienced personnel. (2) a teaching environment in which teachers can function

at their maximum capabilities while improving their instructional methods and techniques. (3) a curriculum that meets the needs and interests of boys and girls. (4) a continuing evaluation of the total program to get the utmost in efficient service out of the school plant and out of every teacher.

"A favorable vote Saturday," the Board says, "will enable the Board of Education to strive even harder to improve the quality of the school program at a time in the history of our nation when each child needs a good education to cope with the problems confronting society."

## Board Moves Meeting Date

The Antioch Community High School Board held its monthly meeting a week earlier than usual this month because of conflicting dates. The meeting was held January 13. It is normally held the third Wednesday of the month.

The mechanics of the coming school referendum were discussed and Superintendent Albert Dittman reported the preparations that have been made. These include preparations for installation of booths in the three polling places, provisions for distribution and pick-up of ballots, etc. The board scheduled a special meeting for Wednesday, January 27, at 7:30 p.m. to canvass the vote.

Roger Prosser, chairman of the board committee on teachers' salaries, reported that two meetings had been held with the teachers' committee on salaries, headed by Lucien Maclean, and that a third meeting is scheduled for January 27 at 8:30 p.m. A report will be given to the Board at the February meeting.

The Board approved the investment of \$100,000.00 in Treasury Bills, maturing at staggered dates. The money is partially tax disbursements from the county treasurer and partially from Treasury bills which had matured.

The board approved the employment of Fred Yates, Antioch, as a part time bus driver. They also considered the replacement of the 1956 school bus, and directed Mr. Dittman to secure bids on a new bus.

A tour was made of portions of the 1952 addition to the school, where a heating problem exists. The board will consider measures to improve conditions.

The February meeting of Mr. Dittman reported to board members on the progress of legislation which has been introduced in regard to the use of school buses. Identical bills have been introduced in the Senate and the House which will make it possible for schools to use their buses to transport students as spectators to activities in which some students are participating.

The bill includes a provision that a nominal charge to be set by the individual schools, must be charged the student passengers.

It is expected that the bills will be acted on by the end of January, so that the buses will be able to transport student spectators to the basketball tournaments.

The board has also been moved up one week to February 10.

## Passenger Train Service to Antioch Ended January 15

The last Soo Line passenger train to Antioch made its final trip on January 15. As of that date, passenger train service was discontinued, according to Les Sorenson, agent for the Soo Line and Railway Express.

Sorenson made it clear that this has no effect on freight service to Antioch. Freight and Rail Express will still be accepted at the depot. The Soo Line will still be handling rail freight. Rail express to and from Antioch will be handled by truck line from Waukegan.

## Lions To Hear About Air Defense

J. E. Udell, a Public Relations representative with Illinois Bell Telephone Co., will be guest speaker at the Lions Club meeting on Monday night, Jan. 25, at Lorenz's Smart Country House. The meeting starts at 7:15 p.m.

Mr. Udell will explain the operation of the Air Defense system of the U. S. The 30-minute program utilizes slides, tape recordings and an animated display.

Udell served as Naval electronics instructor at Minnesota U., Iowa State College and U. S. Navy Training Schools from 1942-45. He then returned to Illinois Bell and has been working with the Public Relations Dept.

Udell is past commander of the Bell Post of the American Legion.

# Village Annexes Property; New Apartments Planned

Three units, housing 28 two-bedroom apartments, to be built on Tiffany Road just north of Lorenz's Smart Country house, is in the planning stage.

Discussion of Antioch's latest spurt in apartment building came at the meeting of the Village Board in Antioch Tuesday night. John Conville and Bernard Haviland presented a petition to the board requesting annexation into the village of two lots on the east side of Tiffany Road, belonging to Mr. and Mrs. Elmer Christofferson and Mr. and Mrs. Robert Avery, and lots 12 and 20 on the west side of Tiffany Road, belonging to Mr. and Mrs. Bernard Haviland.

Haviland told the board that he plans to construct three buildings on the west side of Tiffany Road, containing 28 apartments.

Mayor Cunningham pointed out to Haviland that Highway Drive, the service road for the apartments, would have to be brought up to village specifications of a 60-

foot right-of-way and 30-foot paved street. Haviland consented to the stipulation and the board approved the annexation petition and ordinance, contingent on improvement of the road.

## PICKARD PLANS ADDITION

Evan Morgan, representing Pickard China, asked board approval of an addition to the Pickard plant, including a ramp which would extend to the property line.

The planned addition, he said, would conform to setback requirements, but it would be necessary for the unloading ramp to be extended.

Mayor Cunningham told Mr. Morgan to present plans to Ellis Story, building commissioner.

## PLANS DISCUSSED

Al Schroeder, of Brooks Real Estate, informed the board of progress made on the parking lot and roadway plan he had previously presented to the board. After contacting all except six of the Main St. property owners,

he said, he had received their assurance that they would be willing to contribute \$10.00 a foot for each foot of their property fronting on Main St. toward the construction of the proposed lot. This would amount to \$21,000, he said, and he asked that the village board cooperate with him on plans for the lot.

Schroeder's plans, previously presented, included demolition of three buildings on the west side of Main St. A parking lot would be constructed in the space, and a roadway which would provide a flow of traffic from the hillside, through the new Shopping Plaza and the village parking lot to Main St.

Schroeder estimated that the lot would hold 81 cars. He had previously estimated cost of the project at \$250,000.00.

Mayor Cunningham asked for opinions of village board members and Richard Miller, president of the Antioch Chamber of Commerce, on the feasibility of financing the project. Miller said he

felt sure the Chamber would cooperate in working out plans. Board members expressed doubt that village funds could be used.

Mayor Cunningham appointed a committee of Elmer Petersen, David Nissen and Ernest Glenn to meet with committees from the Chamber of Commerce and the Main St. property owners to work on the parking lot plans.

Richard Miller, Chamber president, asked the board for information on available industrial property, to be incorporated into a brochure on Antioch being planned by the Chamber of Commerce. The brochure, Miller said, will attempt to give information on Antioch's facilities and attractions to prospective residents, industries and tourists.

David Nissen was appointed to give the Chamber board information on industrial sites, and Chamber representatives and the board discussed possible planning and development of sites in the future. Robert Bemis is chairman of the Chamber's

## Industrial Development committee.

Ray Toft announced that Frank Feller had been hired to serve as a part-time policeman.

The village board approved two tag days—a Salvation Army request for a Tag Day on either June 11 or June 18, and the Teen-Age March against Leukemia on May 2 between 1 to 4 p.m.

Mayor Cunningham read a letter from residents of the Tiffany Arms complaining that village water discolored clothes in washing, and was generally unsatisfactory. A filtration plant is being planned by the village board, to be constructed after the new well is drilled.

The board meeting adjourned without mention of the controversial Kennedy water bill, but Ernest Glenn, chairman of the water committee, said when asked if a decision had been made that the meter had been sent in for checking and that the matter was not settled.

## Form Local AARP Chapter

A group of retired persons from the Antioch area met last week in the community room of the Antioch Savings & Loan for the purpose of seeking information on organizing a local chapter of the AARP, the American Association of Retired Persons.

Retired people, or those retired and still active, 55 years of age and over, residents of the Antioch area, are welcome to become members of the chapter.

Several people in the area are already members of the national AARP and would like to join a local chapter. Some of the objects are to meet people and have some social activity that fits in with the retirement age.

Mrs. Harold Jorgensen and Mrs. Clifford Vanderwerker organized this first meeting.

A district representative, Fred Paesen, Zion, was to be present, but was unable to attend. He is expected to be at the next meeting, slated for January 26, at 1 p.m. at the Antioch Savings & Loan. Temporary officers were

## Chamber Officers To Be Installed At Dinner Dance

Cocktails from 6:30 to 7:30 p.m., a roast beef dinner, then dancing to the music of the Purple Tones. These are some of the highlights of the annual Chamber of Commerce dinner to be held January 30 at Lorenz's Smart Country House.

Installation of officers will take place sometime during the evening. Corsages will be presented to the ladies. The public is invited to attend.

The next regular meeting of the board of directors will be Tuesday, January 26. At that time the chairman of the various committees will list the names of the members of their committees and outline a program for the ensuing year.

Of interest to the manufacturer of metal products and his employees is a course in Basic Metalworking. It is designed primarily for persons who have had little or no experience in metalworking. Machine operation, oxy-acetylene welding, brazing, AC arc welding, heat treatment, sand casting, sheet metal and art metalwork will be included in the course, which meets on Tuesdays.

Two courses are offered for the adult interested in Physical Fitness and Recreation. One, which meets on Mondays, is designed for the person who is fighting the "battle of the bulge" and wishes to attain physical fitness. The other class, meeting on Wednesdays, is a course in Adult Recreation, and includes a multitude of games and sports, including badminton, shuffleboard, ping pong, and others.

Of particular interest to many people in the Antioch area is a course in Drawing and Painting being offered on Tuesdays. It will be taught by Jackie Horton. Perspective and composition will be emphasized and the student will progress to the use of oils.

An interesting course for the person who enjoys reading is the one entitled "Books and Coffee." The informal nature of the course is indicated in the title. Many fine books will be examined in a relaxed atmosphere and the student is NOT required to read the books. This course meets on Tuesdays.

Also included in the program are courses in Typing, Shorthand, Sewing, Bridge, Home Furnishings, and Business Machines. Counseling in Continuing Education is available by appointment, by contacting the Adult Night School Director.

## Night School Offers Variety Of Courses

The Antioch High School Adult Night School Director, Lawrence E. Eggleston, has announced a greatly expanded program for the spring semester, to begin on Feb. 1.

Highlighting the new program will be courses in Data Processing, Basic Metalworking, Art, Bridge, and even a course entitled "Books and Coffee."

A new course in Data Processing is being sponsored by the Data Processing Management Association, North Shore Chapter. Its instructor, Mr. Galvin of Lake Villa, will take the students from punched cards through the computer.

The course will meet on Tuesdays.

## Death Takes Prominent Local Woman

Mrs. Emma L. Simons, a member of one of Antioch's early families, died at 10 p.m. Monday, January 18, (her birthday) at Victory Memorial Hospital after a lingering illness. Mrs. Simons was 84 years old.

She was born January 18, 1881, on the farm of her parents, William and Mary Smart. The farm is now the site of Lorenz's Smart Country House.

Mrs. Simons resided in Antioch Township all her life. She married Ernest L. Simons on May 10, 1900, in Antioch. He preceded her in death on March 21, 1951. They had operated the Simons Hotel, at the corner of Main and Orchard sts., in Antioch, from 1900 to 1921. The Village Hall now stands on the property formerly occupied by the Simons Hotel. Mr. Simons was also Antioch Township assessor for 25 years and served as secretary of the First Fire District of Antioch Township.

Mrs. Simons held membership in St. Ignatius Episcopal Church and the Ladies Guild of that church. She was a member of the Antioch Woman's Club.

She is survived by her daughter, Mrs. Lloyd (Louise) Murrie, Antioch, whose husband is Antioch Township supervisor; one brother, Donald Smart, Waukegan; two sisters, Mrs. Howard (Pauline) Smith and Mrs. Antoinette Fields, both of Antioch, and two grandchildren, Michael and Marilyn Murrie, Antioch.

Funeral services were held at 1:30 p.m. today (Thursday) at the Strang Funeral Home in Antioch. The Rev. Theodore Bessette of St. Ignatius Episcopal Church officiated at the services. Interment was in Hillside Cemetery in Antioch.

## Band Parents Selling Tickets To Play

The Antioch High School Band Parents' Association announces that they still have tickets available for "A Thurbert Carnival," to be presented at the PM&L Theatre on Jan. 23. An after-theatre supper party at Lorenz's Smart Country Club is also being sponsored by the Band Parents.

Tickets may be reserved by calling Charlotte Ten Bruijn, 395-3341; Jerry Miller, 395-2271; Dolores Pierce, 395-2064, or Carol Effinger, 356-3611.

## 13 Win State Scholarships

Thirteen students from Antioch High School have qualified as semi-finalists in the 1965-66 State Scholarship program, on the basis of high school academic record and performance on the competitive examination.

The students from Antioch who qualified are Kathleen Albrecht, Rt. 5, Box 11; Sandra Bicanie, Rt. 1, Box 285; Bruce Dalgard, 627 Main St.; John J. Delany, Jr., Rt. 4, Box 281; Randy K. Hughes, Rt. 2, Box 220; Diane M. Kretsch, Rt. 2, Box 111; Susan G. Lindblad, Rt. 4, Box 43; John J. Murphy, Rt. 1, Box 607; James Steffenburg, 633 Parkway.

Parkway: Karen L. Jennrich, Lake Villa; Thomas Michael Randall, 2113 E. Burr Oak Rd., Lindenhurst; Wayne R. Sanders, 502 Gratton Rd., Lake Villa; and Terry Schneider, 53 Sherwood Ave., Lake Villa.

The semi-finalists represent 701 high schools and were selected from the 33,900 students who sought State Scholarship consideration by taking the ACT examination of Nov. 7.

The winners will be announced in April and will be granted monetary and honorary awards to attend approved colleges or universities within the State of Illinois.

Both the high school records and test scores of the 1965-66 semi-finalists are superior to any previously announced group of semi-finalists.

Each year approximately 5,000 students receive financial assistance through the State Scholarship program. For the current biennium, the 73rd General Assembly has appropriated \$4,900,000 for State scholarships.

## Busy Year Ahead, Says C. C. Pres.

Richard Miller, president of the Antioch Chamber of Commerce, has announced that he and his Board of Directors hope to make 1965 a banner year in the Chamber's activities through an intensive program of advertising Antioch and by aiding and cooperating with the Village Board and civic groups in developing and promoting Antioch's attractions. This program, he says, they hope to carry on along with the regular Chamber activities in promoting retail sales and civic projects such as the Christmas decoration program.

Miller announced that the first project to be undertaken by the Chamber will be compilation of a brochure advertising Antioch's attractions. A particular effort will be made by his Industrial Committee, headed by Bob Bemis. Miller said, to compile data to aid any industry seeking a likely location and to draw more industry to the village.

An effort will be made, Miller said, to secure the help of the Bureau of Tourism, a state department, in laying out and financing a program for attracting tourists to the area.

Miller has selected his committee chairmen for the year. They are Ted Costoff, membership; Ray Jensen, retail sales; Bob Bemis, Industrial; John Dallman, Officers and By-laws; Preston Reckers, Jr., Christmas Decorations; John F. Romer, Public Relations and Civic Affairs, and Robert Wilton, Jr., Sign Program.

## State Bank Elects Board of Directors

The Annual Stockholders meeting of the State Bank of Antioch was held on Wednesday, January 13, at the bank. The following members were re-elected: William E. Brook, President of the bank; Ted C. Larson, Attorney at law; James W. Kopriva, M. D.; Irving W. Carey, Proprietor of Carey Electric & Plumbing Shop; Fred O. Hawkins, retired gold professional; James W. McMillen, Director of State Parks for the State of Illinois; Lloyd E. Murrie, Antioch Township Supervisor and proprietor of Murrie's Standard Service Station, and Carl D. Hughes, owner of Hughes Tulp Farm.

Frank D. Powles, a director of the bank for 23 years, recently established his residence in Fort Pierce, Florida, and his position on the board was filled by the election of Edmund L. Strang. Mr. Strang is a life-long resident of the Village of Antioch and proprietor of the Strang Funeral Home.

WALLS ADDS ANOTHER BASKET to the Antioch score while teammate Vic Rogers (55) looks on. Antioch beat Waukegan Saturday to take the conference lead.

## Squabble Over Water Corp. Continues

The attempt of the County board of supervisors and the Public Works Dept. to acquire ownership of the Lake County Water Corp. ran into a snag last week.

A motion was filed by Attorney John Vander Vries, on behalf of the corporation and the Lake County Water District, to dismiss the county's petition to the Illinois Commerce Commission for condemnation of the Water Corp. The case is expected to go to the commission on March 2.

Both the Public Works Dept. and the Water District want control of the Water Corp., at present privately owned. The Water District was formed in 1951, for the stated purpose of installing a county-wide system of water supply from Lake Michigan.

The more-recently established Public Works Dept. has laid out a county-wide plan for sewer and water service which it hopes eventually to install. Both bodies feel that control of the Lake County Water Corp. is vital to their plans.

The resolution to condemn the corporation's water system was approved by the Board of Supervisors at a meeting on Dec. 8. The board contends that it is part of the purpose and duty of the Public Works Dept. to promote the orderly growth of water systems in the unincorporated sections of the county.

## EDITORIAL

### Consider The Facts, Then Vote

This Saturday, January 23, the Board of Education of Antioch Community High School goes to the voters of the school district asking for a 15c raise in the educational tax.

There has been a pretty solid voter-resistance to any raise in school taxes lately. It's hard to blame voters for refusing to vote additional taxes on themselves. It already seems as though we're overtaxed in every direction.

The tax which supports the public schools is almost the only one left on which voters can directly express their views. And too often, of late, the voter uses his school referendum ballot, not to express his opinion, but to voice his anger and frustration at high taxes of all kinds, corruption in government and the high cost of living.

Continued refusal of voters to properly support their local schools has opened the door to State and Federal Aid of the schools. Perhaps such aid is unavoidable in areas so poor that decent schools simply can't be supported. We know that such aid is always more costly to the taxpayer than local support. Added to the bill for school support is the cost of State or Federal collection, and additional workers and department heads at all levels to administer and apportion the funds. It's certainly not good economics to send our school funds to Springfield or Washington, then have them returned to us.

If you are one of those who automatically registers a vigorous "No" to a raise in school taxes, consider these points before you cast your vote.

1. The Board of Education has told you why present funds will not be sufficient to meet the expenses.

2. The members of the Board of Education are all local taxpayers. They are not likely to urge you to vote to raise their taxes if they did not believe it absolutely necessary.

If you have doubts as to the need for more funds, it is your duty as a citizen and taxpayer to try to get the facts. We're sure any member of the board or Mr. Dittman would be glad to discuss the matter with you.

Lastly, you know that your home expenses have risen since 1958, the date of the last raise in the educational tax. If you have a business, you know that business expenses have gone up. It is only reasonable that the expense of running a school should also have gone up.

A good school is an asset to a community. It raises property values, keeps down juvenile delinquency, helps to produce employable youths and keeps down future relief rolls, and in general helps to create a safer, pleasanter community.

Don't vote without finding out the facts. Don't vote in anger, or feeling that the schools are no longer important to you. Vote as you believe right, whether it's Yes or No, but vote.

BY LOU DURKIN

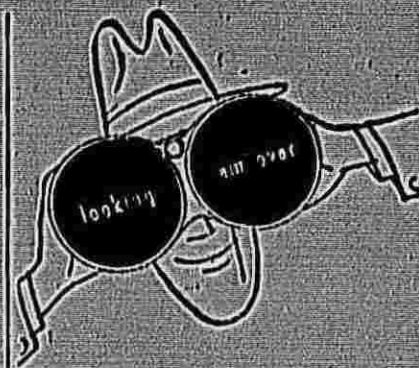

That was quite a curve. Deerfield Supervisor Frank B. Peers threw at former County Coroner Robert H. (Mickey) Babcox last week when the county board member wondered aloud about repayment of a county loan to the coroner's office.

Peers, of course, was well aware that the loan was to the coroner's office and not to Babcox personally because the Highland Parker was on the Finance Committee when the loan was arranged.

The loan was used to set up funds for the operation of the office after it was shifted from a fee-paid office to a regular salary.

With a quick visit to the office of County Auditor John Darrow the Deerfield Supervisor could have learned that over \$5,000 of the \$10,000 loan was repaid when Babcox went out of office and that the balance was to be written off because the earnings of the office never equaled the expenses.

At long last, a group of parents have formed a "union" to cope with their children.

In Warwick, R. I., parents have gotten together and agreed on a set of rules for their teenage children. No more will Johnny's plan of "every kid in my class drives," or the cry "All the other kids are going," weaken a parent's conviction. Now Ma or Pa can smile blandly, say, "Sorry, it's against Union rules," and that's that. He (or she) can relax, confident that the other parents are abiding by the same rules, too.

The parents have set up rules covering such matters as coming-home hours, drinking, the age to begin dating, the use of cars, chaperoning of parties, etc.

What happens to the parent who weakens and gives permission outside the rules is not mentioned. Drum him out of the Union, perhaps. Rip off his coat buttons. Tear up his child's birth certificate.

**SAD NEWS FOR DOCTORS**  
Announcement has been made that since the Surgeon General's report on smoking, smoking among adults has decreased appreciably.

What's going to happen to all the doctors who are confronted with patients with a bothersome cough? Doctors are now so busy that they can hardly find time to see all the people clamoring for their attention.

Now, the coughing patient first gets a going-over in the chest region to determine the condition of his lungs in relation to the possibility of pneumonia. No pneumonia. Next, the doctor says, "Do you smoke?"

If the patient answers, "Yes," that's it. The physician speeds him on his way with a prescription for cough medicine and an assurance that he will probably keep on coughing if he persists in smoking.

Now, what happens if the patient answers "No" to the smoking question? It throws the doctor for a complete loss. He has to try to find out why the patient is coughing.

Of course, all is not lost. He can still give the non-smoker a prescription for cough medicine, and tell him he has a nervous cough. If a universal remedy for "nerves" is ever found, doctors are in real trouble.

Waukegan Republicans have again shown that it is dangerous to try to "screen" candidates for a primary unless the organization is strong enough to make the recommendations stick.

By endorsing Ald. Eugene McGaughey, a late-comer to the mayor race, over Alderman Eugene Hollis Austin, who announced his candidacy months ago, the GOP committeemen have alienated many of the latter's supporters.

The screening committee then compounded the folly by endorsing Howard Guthrie for City Clerk despite his announced intention of supporting Mayor Robert Sabonjian.

Four years ago Guthrie alienated many Republicans because he entered the primary unopposed and openly supported Sabonjian's bid for re-election.

This time around Guthrie has opposition and the mayor is unopposed and free to lend his support to his sidekick.

On the other hand the screening committee seems to be playing it safe by endorsing Guthrie who is an odds-on choice to defeat Harry Kilbane (you remember him) in the primary and to win in the general election.

There seems to be no specific law prohibiting a supervisor from selling materials or services to the county or township, but whenever it happens those on the outside looking in are quick to wring their hands and shake their heads.

It would be difficult to draw the line in the matter of conflict of interest as shown by the fact that on the same day Murrie was criticized for selling gasoline the board approved the purchase of a new car for Coroner Pat Clavey from the Libertyville agency with which Warren Supervisor Robert Depke is associated.

## ALONG THE WAY with Annie Mae

Well the hungry I can't do anything fantastic on this diet either, (except starve), so we will drop that subject post-haste! However, I would like to put in my two-shillings worth on this subject of the so-called misbehavior of our young week-end movie-goers. When we believe that it is possible to correct Johnny and Jane's social and moral problems with an organizational committee and a type-written set of mutual agreement rules, we have indeed wandered astray from the parental pathway. It has been this writer's contention that parents who are ready and willing to face up individually to being responsible for their offspring's behavior have undoubtedly very few problems to worry about, for in the reflection of a respectable parent, you will find a respectful child. The stolen kiss, the secret cigarette, and the rowdy child are certainly not new to this generation, but the fact that adult supervision can no longer place a firm hand on the back-side of a pair of pants and remove the misbehaved from the rest of a group is indeed a sad situation.

**THE LATEST REPORT:**  
The rumors continue to come and go about the Village Board election, and the latest one is that the three V.L.P.'s who contemplated a slate have dumped the whole idea. . . . By the way, what happened to the Lions Club Bridge Tournament? I've had my cards marked for nearly a month now! . . . We're very glad to see that Harold Marks is returning to Main St. in his old spot. For those who don't remember, he was the restaurateur who owned Harold's Restaurant. . . . Mum's still the word on the new leaseholders of the Lake St. store to be vacated by the A&P, but another food chain seems a good possibility. . . . Bob Wilton, Jr. gave Ill. Bell

a real boost last week when he discovered how quickly you can reach anywhere in the U.S. with the new touch-tone phones, even if you didn't intend to!

**NOTES TO YOU:** The Tom Haley family become residents of Main St. soon, when they move into the home they purchased from John Dupre. John and Geri and son Jim will become tenants in their own Coral Apts. . . . We hear that bird of many sur-prises, Mr. Stork, digs the Frank Moser home the most. . . . Incidentally his latest delivery was to the Stanley Anderson's with a 7 lb. 12 oz. little gal.

**THE LAST DROP:** We can certainly appreciate how those Rescue Squad fellows want to be Johnny-on-the-spot, but may we please ask that you also take the necessary time to wait for a straightaway before you pass a long line of cars. . . . We need you all too much to have you risk your necks (and perhaps another's) passing on curves! We're talking about individual cars answering a call, not the Squad itself. . . . Bob Burns is the luckiest fellow I know, guess where his firm holds its convention this time of year? Key-West, Fla! Wonder if there's any openings for an ill-equipped typist? . . . the toughest job in the Channel Lake-Antioch annexation has been for those involved to quell the rumors, and still not make any hasty promises. . . . and finally, our belated congratulations to Dick Miller, who becomes the top banana in the Antioch C. of C. at their annual dinner-dance Jan. 30 at Lorenz's!

**DID YOU HEAR:** Or have you forgotten the philosophy of the great Will Rogers who said, "Why not go out on a limb? That's where the fruit is!"

be eligible to secure offices in the Rayburn Building. Congressman Emanuel Celler of New York, with 42 years of continuous service in the United States House, was entitled to first choice of offices.

Six Illinois Congressmen, Leslie Arends with 30 years of Congressional service, William L. Dawson with 22 years of service, Melvin Price with 20 years of service, Barratt O'Hara, John Kluczynski and William Springer each with 14 years in the House, will all be moving into the new building.

The Rayburn Building is equipped with elaborate dining facilities, a gymnasium and swimming pool, as well as a large underground parking area. More important to the work of the Congress and to the accommodation of representatives of the public who wish to attend the public hearings of Congressional Committees, the new Rayburn building includes nine large committee rooms. Each hearing room seats 145 spectators. It is in the committee rooms of the House where the real work of Congress is accomplished, where witnesses are heard and the basic merit of proposed legislation is determined.

Visitors from the 12th District will want to include the Rayburn Building on their sightseeing itinerary, and many will want to see "Congress in action" in the spacious new committee hearing room.

**Patent Improved!**  
Two packaging men from Abbott Laboratories — Howard Richards and Jack Williams, both from Waukegan — are the owners of design patent number 200,000. The patent was issued by the U.S. Patent office this month.

The patent covers the design of a new pocket-size dispenser to hold small tablets of artificial sweetener. Richards and Williams devised the triangular plastic-and-metal box. It's unbreakable, moisture-tight, self-sealing and low in cost.

McHenry County was over-powered in the selection of Circuit Judges, an Appellate Judge, State Senator, U. S. Representative, and the State Central Committeeman of each party.

Residents of McHenry can be excused perhaps if they insist on being linked with any other county in whatever re-apportionment is eventually decided upon.

## Letters to the Editor

To the Editor:

Our County Board of Supervisors has a Legislative Committee, chairmanned this year by Robert Dickson, Supervisor from Wauconda, last year's County Board Chairman. Four other Supervisors share his responsibility of keeping a wary eye on our Legislators at Springfield to guard against their passing laws detrimental to our County's interest. Further, they assess the needs of our County and suggest worthwhile legislation for enactment.

Among the suggestions made at County Board meeting January 12 for new legislation was, that the law governing the salary of Superintendent of the Veterans Assistance Commission be raised from \$4,800 a year to \$7,000 and Mr. Dickson spoke eloquently on the inadequacy of \$4,800 as compensation for services rendered by the V. A. Superintendent.

Some inquisitive Supervisor asked if \$4,800 was all the County paid our V.A. Supt. No, admitted Mr. Dickson, actually he was paid \$6,500 last plus traveling expenses \$2,500.

Why, then, came the next question, should we badger the legislature to raise the salary if we don't pay any attention to the \$4,800 limitation anyway?

"We're just asking," explained Mr. Dickson patiently, "for legislation to permit us to continue to operate as we are operating. We would like to have this legislation passed so that we can work within the law, not outside of it."

Mr. Dickson is a V.I.P. in County government. He is a member of the Finance Committee which prepares the

budget for County expenditures; he is Chairman of the Finance Committee of the Forest Preserve District, and, come to think of it, he is also Secretary of the Lake County Building Commission.

Aren't we lucky to have, in key positions of our County government, men who are conscientious—men who prefer to operate legally—who will do all they can to have the laws adjusted to conform with their actions?

Mr. and Mrs. Gerald Hughes, Jr.

## Folbrick-Hughes Wedding On New Year's Eve

Miss Cheryl Ann Folbrick became the bride of Gerald Richard Hughes, Jr., at 12 noon on Thursday, Dec. 21, at St. Ignatius Episcopal Church in Antioch. The Rev. Theodore Bessette officiated at the wedding.

Miss Folbrick is the daughter of the late Richard Folbrick and Mrs. Stanley Toton. Mr. Hughes is the son of Mr. and Mrs. Herald Hughes of Fox Lake, Illinois.

The bride wore a long-sleeved gown of white crepe

trimmed with satin. A matching satin headpiece held her shoulder-length veil.

The maid of honor wore a cranberry-red crepe. The bridesmaid wore moss green lace.

A family luncheon at Lorenz's Smart Country House followed the ceremony.

The new Mr. and Mrs. Hughes will reside at Fox Lake, where Mrs. Hughes, Jr., will teach piano and organ.

PRESIDENT JOAN LARSON introduces Masaji Okubo, Foreign Exchange student from Japan, guest speaker at the Antioch Woman's Club.

## Woman's Club Has Speaker, Style Show

A style show and a talk by Masaji Okubo, Foreign Exchange student now attending Antioch High School, comprised the program at Monday's meeting of the Antioch Woman's Club.

Masaji told the women of his arrival in San Francisco, and the bus trip to Illinois. The miles of desert with no homes was something new to Masaji, who comes from thickly-populated Japan.

He spoke of the greatness of this country and his pleasure at being here. Masaji said the Exchange program has helped the Japanese people to understand Americans.

His mother, he said, belonged to a club at home similar to the Antioch Woman's Club. Their programs consist of flower arranging, tea

serving and guest speakers.

The Gander M. Trooper Shoppe of Wilmet supplied the fashions for the style show, a showing of specialty and ski clothes, and summer and cruise wear. Gloria Davis was the commentator, and the clothes were modeled by Club members Mrs. Gus Costoff, Mrs. Raymond Toft, Mrs. Edward Jacobs, Mrs. James Carlson, Mrs. Dean Waite, Mrs. Anton Stanish and Mrs. Richard Radke.

Mrs. Ted Larson, president, announced the coming Tenth District meeting, to be held on January 26 at the First Methodist Church in Evanston. The Antioch Woman's Club is one of the three host-ess clubs for the afternoon.

**VACATION IN MEXICO**

Miss Joann Topercer, daughter of Mrs. John Topercer, is vacationing in Mexico for a month. First stop on her Mexican tour will be Acapulco.

Randy Gordon, retiring worthy advisor, will be the mistress of ceremonies. Susan Bloom, a past worthy advisor of Antioch will be installing officer. Those assisting will include Susan Lindblad, installing marshal; Carol Wieghart, installing recorder, both past worthy advisors of Antioch assembly; and Virginia Reed, past worthy advisor of Radiant assembly, installing chaplain. Mrs. Arnold Weber will be installing musician and Judy Somerfield, a member of Bensenville assembly, will be soloist.

Karen's parents will be guests of honor and her grandparents, Mr. and Mrs. E. Jennrich and Mr. and Mrs. C. Kohl will be her honored guests. Odes to the flags will be given by Donna MacHanes and Judy Wells. Mrs. E. Beese will be refreshment chairman, assisted by Mrs. Robert Jonas, Mrs. Robert Lindblad and Mrs. Robert Gaston.

The following 1965 Rainbow advisory board members will be installed: Mr. Roy Lokke, Mr. Harrison Brown, Mrs. James Bruski, Mr. Robert Gaston, Mr. James Williams, Mrs. Andrew Lorentz, Mrs. Wayne Polsgrove, Mrs. Robert Pincombe, Mr. Norvin Stoffel and Mrs. Amy Wells.

Mrs. Donald Gibbs will be installed as Mother Advisor. Masons and Eastern Star members and their friends are invited.

## Campus News

Two Antioch H. S. graduates are members of this year's 65-piece Concert Band at Illinois Wesleyan University.

Miss Lynette Diane Harms, daughter of Melvin Harms of 327 Burnette Ave., Lake Villa, plays the oboe in the band. Lynette graduated from Antioch Community High School in 1963 and is a sophomore at IWU, where she is majoring in Spanish. She is also a member of the marching band.

Miss Betty E. Liddle, daughter of Mr. and Mrs. Kenneth Liddle of 318 Highway 173, Antioch, plays the B-flat clarinet. She graduated from Antioch High School in 1964 and is a freshman at IWU, where she is majoring in music education.

Among those who attended were Warren Heintz, Mr. and Mrs. Alfred Kuenhold, Mrs. Sophie Radakovic, Mr. and Mrs. John Doyle, Mrs. Sylvia Peydik, Miss Nancy Fasano, Robert Avery, Bruce Dunlap, Mr. and Mrs. Mark Turner.

## Thurber's Carnival- Delightful And Funny

Bad weather cut down attendance at last Friday's production of "A Thurber Carnival," but a large and appreciative audience saw Saturday night's presentation.

A series of satires, products of the razor-sharp wit of James Thurber, make for a laughter-filled evening of entertainment. The one serious monologue, "The Last Flower," was fouled up by the combination of an audience geared to mirth and poor performance of a slide projector.

Dr. Al Bucar, a favorite of Antioch audiences, was doing an excellent job on "The Last Flower," to the accompaniment of slides of James Thurber drawings which accompany the piece, when a race-horse manipulation of the slides started audience laughter that made even "Doc" falter. However, he recovered quickly, and finished his performance smoothly.

It was worth the price of admission to see Don Beveroth in "Mr. Preble Gets Rid of His Wife." Others who will delight you in the particular skits in which they are featured are Dr. Bucar, Gloria Davis, and Wes Camp.

If you like to laugh, and if you enjoy satire, you'll find this production of the PM&L thoroughly enjoyable. The curtain came down to sustained applause from the audience that finally brought Director Ken Smouse out to take a bow with the cast.

Tickets for Friday night's performance (Jan. 22) are still available by calling 395-3613. The Band Parents' Association is sponsoring the Saturday night performance, and tickets are still available from that organization. Curtain time is 8:30 p.m.

## Activities of 4-H Club Girls

The Adventurers 4-H Club met Monday, Jan. 18, at the home of Mrs. Lagerstrom. The program featured cooking demonstrations by Ainsley Brook and Leo Ann Tanner.

Girls taking sewing are touring Erickson's Sewing Center on January 21.

Fourteen of the 4-H girls attended a tobogganing party Saturday, Jan. 16.

## 50th Anniv. On Jan. 16

Mr. and Mrs. Ed Kugle, Rt. 1, Box 407, Antioch, celebrated their fiftieth wedding anniversary with a family dinner at the Old Prague Restaurant in Cicero last Saturday.

The Kugles were married in Chicago on January 16, 1915. They've lived near Antioch since 1941. Mr. Kugle is retired from the 1st National Bank of Chicago. He is active in the Antioch Lions Club and the Northern Illinois Conservation Club.

## Plan Old-Fashioned Ice Cream Social

The annual membership party of the Lake County Homemakers' Extension Association will be held Friday, January 22, from 12:30 p.m. to 2:30 p.m. in the County Fairgrounds auditorium at Grayslake.

The party will take the form of an ice cream social. All new unit members, their sponsors and Megaron members will be honored at the party. Old fashioned ice cream social type dress is optional.

Mrs. Judson M. Rogers, Mundelein, county membership chairman, is in charge of the party.

## ST. PETER'S ALTAR AND ROSARY SOCIETY

The Monthly meeting of the Altar and Rosary society was held Monday evening, Jan. 4. It was announced that the North Lake District of Catholic Women will hold an open meeting on Feb. 5 at Great Lakes. Any woman of the parish interested in attending is asked to contact Mrs. Robert Gross and make a reservation. There will be a tour of the base and luncheon.

January birthdays honored were the Mesdames Leksich, Lombardo, Nemece, Madden, and Dugenske.

The program for the evening was an informative film from Pepperidge Farms entitled "New Ideas in Sandwich-making." Recipe booklets illustrating the film were distributed.

Hostess for the evening was Mrs. Larry Lang, assisted by the Mesdames Cullen, Daniels, Wolters, Merryman, Marchini, and Seitz.

## ATTEND FLORIDA CONVENTION

Mr. and Mrs. Virgil Felter will be in Miami Beach, Fla., the latter part of January attending a convention of Dog 'N' Suds, Inc., owners.

Mr. and Mrs. Felter are owners of the local Dog 'N' Suds.

### ANTIOCH IS COMMENDED

A short time ago an out of town caller stopped in at THE ANTIOCH NEWS office and in the course of his conversation remarked on the obvious feeling of friendship and cooperation which exists among Antioch merchants. He spoke of this spirit as being unusual in these days of competition.

Proximity is often a disadvantage in gaining a clear view. We lose sight of the general effect in taking in too many of the details. So, it takes a stranger to point out to us the readiness of Antioch Merchants to refer customers they cannot accommodate to the business house, or houses, in town which can accommodate him.

This observing stranger called at Williams Brothers for a hunting cap, and failing to find what he wanted there, was referred to Wallace Clothing Store, Otto Klass and Chase Webb. This type of service is helpful not only to fellow merchants but to the customer and should be fostered.

## Grayslake First In Line For Community Planning Assistance

The Lake County Regional Planning Commission has announced a new program of Community Planning Assistance through which it offers complete planning services to local communities on a contract basis. A new planner, Don Peterson, has been added to the staff to handle the program.

The first project on the program is expected to be the preparation of a Comprehensive Plan for the Village of Grayslake. The full cost of this program will be borne by the Village and the Federal government. County funds will not be used. A plan for Grayslake is being developed for consideration of village officials.

Under the new Community Planning Assistance program, Peterson will work directly with Lake County municipalities.

## Health Dept. Surveys County Nursing Homes

The Lake County Health Department has revealed the results of a county-wide survey of Lake County nursing homes, conducted as of May 1, 1934. Purpose of the survey was to determine the number and kinds of patients who receive care in nursing homes and the needs of these patients.

At the time of the survey, there were fourteen nursing homes operating within Lake County. Twelve of these were privately owned, one was the Lake County Nursing Home, and one a church-sponsored home.

The capacity of the homes varied from 14 beds to 153 beds. Six homes had 30 beds or less and eight homes had more than a 30 bed capacity. Each home is from one-half mile to 10 miles from a hospital. Nine of the fourteen are within five miles of a hospital.

The fourteen homes had a total capacity of 776 beds. Of the existing beds, 390 were in homes complying with the latest standards in relation to structural facilities. Three hundred-eighty-six beds were in homes not complying with the latest structural standards.

The Board of Directors will be Tuesday, January 24. At that time committee chairman will announce the names of members of their committees and outline a program for the ensuing year.

plying with the latest structural standards. Standards have been upgraded since the non-complying homes were licensed. These homes do comply with the present fire protection requirements.

One new nursing home was nearing completion and construction had begun on a second home at the time of the survey. These will add about 200 beds to existing facilities.

Location of the homes is three in Lake Villa Township; three in Benton; two in Libertyville; one in Shields; one in Elia; two in Vernon; two in Deerfield, and two under construction in Waukegan.

Female residents outnumbered the males, 473 females being residents of the nursing homes, 234 males. The youngest resident was a 35-year-old woman, the oldest a man 104 years old.

Although all ages from 35 to 104 were represented, the greatest number of residents were between 70 and 85.

Leaving out the Lake County Nursing Home, 322 of the residents of the other homes were from Lake County, and 232 from outside the county. Many of the out-of-county residents were from Cook County. Most residents from outside the county had children living in Lake County.

One-half of the patients had been in the homes from

one to five years; 275, one year or less, and 79 had been in the homes five years or longer.

Medical diagnoses revealed that 437 patients had some heart or circulatory condition. The largest group (264) suffered from senility.

It was determined that 67% of the patients were ambulatory, 21% ambulatory with assistance and 21% were bedfast. One of the larger nursing homes in the county employs the consultant services of a Physical Therapist. Statistics indicate that the outlook is much brighter in this home for the patient to be able to get about without help.

About one-third of the residents were found to be mentally alert.

Almost 40% of the patients were receiving public assistance to finance their care. Two of the fourteen homes had on welfare cases.

The survey showed that nursing homes have one registered professional nurse for 28.2 patients; one licensed practical nurse for 50.3 patients, and one nurse's aid for 3.7 patients.

The Lake County Board of Health reached several conclusions as a result of the survey. Among them, the conclusion that Lake County has enough nursing homes to meet the immediate need, and that the homes should offer increased use of therapy, including remotivation therapy, to restore the aging inmate to a reasonably active, happy life.

## Report of Rescue Squad Calls

The Antioch Rescue Squad took Louis Brodowski, 76, of Route 45, Millburn, to St. Therese Hospital on Jan. 14, suffering from a hemorrhage. Mary Foster, 505 Orchard, Antioch, was taken to St. Therese Hospital by the squad, apparently suffering from a stroke.

Gordon Spears, 80, a resident of the Lake Villa Nursing Home, was taken to St. Therese Hospital on Jan. 17. Mr. Spears had run away from the home, walked to Loon Lake, and had suffered from a stroke.

Richard Rogers, 18 months old, 320 Poplar, Channel Lake, was added by the squad on January 20 when he became ill at home.

Marilynn MacCorkle, 17, 8832 Lockwood, Skokie, was taken to the office of a local doctor after being involved in a traffic accident at Lake Ave. and Route 173 on Sunday, Jan. 17.

### TOUCHE

Two dairies were engaged in an advertising war in a western city. One of the companies engaged a daredevil racer to drive a car around town with large placards, reading: "This Daredevil Drinks Our Milk."

The rival company came out with placards, twice as large, reading: "You Don't Have to Be a Daredevil to Drink Our Milk."

She was born Feb. 6, 1922 in Chicago and had resided there until moving to Round Lake 8 years ago. She married Willard L. Rakow on June 15, 1940 in Chicago. Mrs. Rakow had worked at Burgess Vibracrafters, Inc., at Grayslake for the past five years. She holds membership in the Round Lake Community Church.

Survivors are the husband Willard, one son Willard, Jr., Arlington Heights; one daughter, Mrs. Richard (Marianne) Lamszus, Lake Villa; four sisters, Mrs. Elmer (Elsie) Hochleutner, Chicago, Mrs. Harry (Julia) Jones, Joliet, Mrs. Cecelia Beech, Antioch, and Miss Ruth McClusky, Harwood Heights; one grandchild, Richard Lamszus, Lake Villa.

Funeral services will be held at 1:00 p.m. on Saturday at the Strang Funeral Home in Antioch. Rev. Theodore Buchmuller of the Round Lake Community Church will officiate at the service. Interment will be in Irving Park Cemetery in Chicago. Friends may call at the funeral home after 7 p.m. on Thursday.

## Touch-Tone telephoning comes to Antioch!

Be among the first to enjoy it... the phone that lets you tap out numbers instead of dialing. It's faster, easier, fun!

Just tap the buttons. No dialing. You can tap out a number twice as fast as you can dial. And each time you tap, you hear a pleasant musical sound—a different one for each button. TOUCH-TONE calling is not only practical. It's a lot of fun.

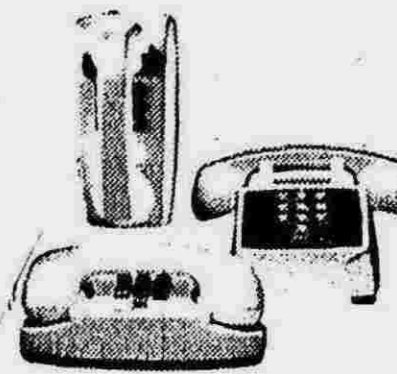

And the cost is surprisingly low. For TOUCH-TONE service in your home, you pay a one-time installation charge of \$5.00 for each TOUCH-TONE line, and a monthly charge of \$1.50—plus tax—for TOUCH-TONE service. The monthly charge covers

TOUCH-TONE service and color for all extensions on your line.

TOUCH-TONE telephones are available in a variety of styles: versatile table set, new streamlined wall phone, and attractive Princess® model. The usual additional charges apply for extension and Princess® phones, and special equipment.

TOUCH-TONE service will be extended into other communities as changes can be made in telephone central office equipment. But it's available here now!

Order TOUCH-TONE service today. Call your Service Representative, or ask your telephone man.

## Legion News

By Del Jahneke

Mrs. John W. Horan, Jr., has announced that the Antioch Unit of the American Legion Auxiliary has sponsored another party at Downey Hospital on Wednesday, Jan. 20, and has furnished cupcakes and coffee for 50 patients in Building 66.

Since Antioch Unit is one of the 22 Units comprising the 10th District, the American Legion and Auxiliary and the general public might be interested in the following vital and important facts.

Mrs. Albert Dorn, Mundelein, 10th District Director of the American Legion Auxiliary, recently returned from a three-day Midwestern Child Welfare Conference, held at the Sheraton-Cadillac Hotel, Detroit, Mich., on January 7, 8 and 9. Approximately 300 American Legionnaires, Auxiliary members, and the "Eight and Forty" members were present from a 12 state area, including many of the national officers of the three organizations. On of the "highlights" of the conference was the presentation of a \$3,000.00 check from the National Chaplain (president) of the "8 & 40" to National Legion Commander Johnson to be used in Child Welfare work.

In capsule form, the three objectives of the American Legion and Auxiliary Child Welfare program are: 1—Preserve the integrity of the home; 2—Maintain a Whole Child Program; 3—Cooperate with and strengthen other sound agencies and organizations for children.

The tools to be used are Legislation, Information, Direct Assistance, and Prevention. The National Child Welfare Commission has seven points of emphasis for the 1965 program: 1—Youth Employment; 2—Mentally handicapped children; 3—Economically dependent children; 4—The Abused Child; 5—Recreation; 6—Eye Safety and 7—Dangerous Drugs. Four of these require legislation, and the American Legion and Auxiliary are working on bills to present to the State Assembly on Legislation on the Abused Child; Dangerous Drugs, PKU Tests, and Safety Glasses.

Mrs. Burt Anderson is the Child Welfare Chairman, and Mrs. Lester Zitkus is the Legislative chairman of the Antioch Unit.

Mrs. Dorn was honored by the National Membership chairman, Mrs. William Gill, by being given special recognition, since the state of Illinois is leading the nation in membership, and the 10th District has led the state consistently since last September 1. Mrs. Walter Hills stated that the Antioch Unit lacks only four members to be a 100% unit.

The 10th District Legion Auxiliary Board Meeting will be held at the Lake Forest Legion Home on Thursday, January 21, at 8 p.m. Mrs. Lester Zitkus will be attending this meeting in their capacity as District Music chairman, and District Publicity-Radio-TV chairman, respectively.

### THE "ORDER OF MARTHA" TO HOLD CARD PARTY

By Del Jahneke

You are invited to a card and bunco party given by the "Order of Martha" to be held at the Antioch Savings and Loan Recreation Room on Friday evening, January 29, at 8 p.m. Refreshments will be served.

The Order of Martha is part of the Catholic Church Extension Society, and their money goes to the missions and mission priests in the poor and impoverished sections of our nation. The officers of this organization are: President, Mrs. Ellen Flint; vice president, Mrs. Lucy Himens; secretary, Mrs. Estelle Gatch; and treasurer, Mrs. Mae Peterson.

### FLORIST TO PRESENT GARDEN CLUB PROGRAM

Mrs. Harold Johnson of Glenview will address the next meeting of the Antioch Garden Club on "Conservation."

The meeting will start at 12:30 p.m. on Monday, January 25. It will be held at the Antioch Savings & Loan Building.

Mrs. Lloyd Leable will be hostess for the day, with Mrs. Dudley Kennedy serving as co-hostess.

## MOOSE TOPICS

The Third District Vice-presidents' dinner, held at the Zion-Benton Moose Lodge last Saturday evening, was well attended by members of the different lodges.

Representing Zion Benton were 60 members, Wauconda 4, Barrington 14, Woodstock 10, Harvard 24, North Chicago 16, Crystal Lake 12, Waukegan 2, McHenry 3 and Antioch 21.

Those present from Antioch Moose Lodge were Governor Edwin Petersen and wife, Mr. and Mrs. Morris Bown, Mr. and Mrs. Harrison Brown, Mr. and Mrs. Seth Mark, Mr. and Mrs. George Schroeder, Mr. and Mrs. Scotty Birdsell, Mr. and Mrs. Arthur Andersen, Mr. and Mrs. Edwin Kurtz, Mr. and Mrs. John Dupre, Mr. and Mrs. John Russell and Mr. Charles Nelson.

The guest speaker, a well known man around the Moose Lodges, was Carl Spahr, the newly elected president of the Illinois Moose Association. Also present and known as the unholy three were, Ted Ramsey, vice-president of No. 2, Ray Miller, vice-president of No. 1, and Paul Nelson, vice-president of No. 3.

There were 14 members in attendance at the Winter Legion No. 74 get-together that took place at the Antioch Moose Lodge Sunday, Jan. 17. Plans were made for the card party to be held at the Antioch Moose Lodge on Saturday, Feb. 13, and tickets for this occasion can be obtained from any of the Legion No. 74 members. Following the short meeting a pot-luck dinner was served and members enjoyed an evening of fun.

There will be a Third District meeting held at the Antioch Moose Lodge, Thursday, Feb. 11, at 8 p.m.

The next regular L.O.O.M. meeting will be held Wednesday, Jan. 27, at the Moose home at 8 p.m. There will be an initiation for new members into the Antioch Moose Lodge on Saturday evening, Feb. 6, at 8 p.m.

The Midwinter Conference is scheduled for Sunday, Jan. 31, and a ritual practice will take place for the W.O.T.M. on Thursday, Jan. 28. All members who will be taking part at the Midwinter conference are urged to attend this ritual practice.

## Heads Illinois Cancer Drive

William T. Dwyer, vice president, The First National Bank of Chicago, has been named chairman of the 1965 Crusade of the American Cancer Society, Illinois Division, Inc. Announcement is made by Dr. Armiger H. Sommers, chairman, Lake County Unit.

"Combining the distribution of cancer educational literature with the activity of fund raising, we expect to make this Crusade our most successful ever," says Dr. Sommers, and then adds, "We are confident that the 125,000 volunteers working throughout the state will more than meet this year's state goal of \$2,175,000."

"Emphasis in the 1965 campaign," declares Chairman Dwyer, "is expressed in the slogan 'Tell Your Neighbor.' This means," he explains, "that we will do our best through trained volunteers to reach every home with lifesaving information about cancer and the Society's overall program of cancer education, research and service."

"We face a challenge," Mr. Dwyer adds, "the challenge of cancer's striking 48,000-000 Americans now living, if present rates continue. We could now save one-half of those who develop cancer if we could get everyone to the doctor in time for early de-

## A Cheering Forecast

From "Changing Times"

It's forecasting season again. The air crackles with forecasts about who will do what to whom in Asia, Berlin, the Middle East. The alarms are clanging over 1965's foreseeable traffic deaths, crime, political crises and fierce new challenges.

Okay. But let's get it in perspective, hm? Thanks to our resourceful researchers,

it is now my pleasure to present a few of the items that forecasters (even us) often forget.

Here are some things that will happen in 1965:

About 7,233,000 children will stop outgrowing their shoes every couple of months.

About 194,100,127 Americans will not be hurt or killed in an auto accident.

Nearly 13,100,000 girls will

outgrow the Beatles.

About 750,000 acres of forestland will not burn up.

About 44,603,000 couples will stay married.

About 55,603,000 citizens will file tax returns on which the arithmetic is absolutely correct.

About 11,000,000 teenagers will not drop out of high school, and over 600,000 of those who go on to college in 1965 will stay there four years.

THE ANTIOCH NEWS, 8 THURSDAY, JANUARY 27, 1965

One out of every 4.3 golf balls hooked or sliced into a tree will bounce back onto the fairway.

Over 20 billion dollars' worth of auto loans will be paid off.

And all year long there will be only one Friday the thirteenth.

There you are. Help yourself. No charge.

Mrs. Myrna Jungman was hospitalized for surgery, but will be returning to her teaching duties at Wauconda Grade School soon. Mrs. Jungman taught at Channel Lake until recently.

Don Dill, 7th grade student at Channel Lake School, broke his toe recently and will be unable to participate in the school basketball games for a few weeks. The team lost their games last Thursday to Oakland Grade School of Antioch. The boys will play at Fremont Grade School Thursday, Jan. 21, at 3:30 p.m.

Mr. and Mrs. Joseph Gutowski were the guests of Mr. and Mrs. Richard Harland Sunday evening when they went to the Old Orchard Country Club for dinner and a play. The foursome saw "The Voice of the Turtle" performed by the club's own repertoire company.

## Christian Science Church Sermon

The age-old question of "What is truth?" is given a fresh exploration in Christian Science churches this Sunday. The Bible Lesson is on "Truth," and the Golden Text is from Psalms (86:11): "Teach me thy way, O Lord: I will walk in thy truth."

One insight into the question is presented in a paragraph from the opening pages of the Christian Science textbook: "The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity. Contentment with the past and the cold conventionalism of materialism are crumbling away. Ignorance of God is no longer the stepping stone to faith. The only guarantee of obedience is a right apprehension of Him whom to know aright is Life eternal." (Science and Health with key to the Scriptures by Mary Baker Eddy.)

## Announce Dates Of State Fair

The dates for the 1965 Illinois State Fair were announced last week by General Manager Franklin Rust as August 13 through August 22. Rust said the announcement is being made to permit county fairs and expositions to schedule their fair dates before the annual meeting of the Illinois Association of Fairs and Expositions the latter part of this month.

## State To Invest Funds With Savings & Loan Corporations

For the first time, State funds are being invested in insured savings and loan corporations.

State Treasurer William J. Scott announced plans last week to invest 5 million dollars of state general funds in savings and loan corporations throughout the state. The state will invest up to \$10,000 in each corporation chosen. This is the amount covered by insurance of the Federal Savings & Loan Insurance Corporation.

The Savings & Loan companies will bid competitively for the funds. Dr. John Vermeren, president of the Antioch Savings & Loan, said his corporation will submit a bid at the proper time. Scott said that the new policy would not affect state funds on deposit with banks. The initial 5 million dollars will come from the sale of government securities and not be withdrawn from bank deposits.

The average dividend return on savings and loan accounts is 4.27 per cent, compared with bank interest on state funds of 3.25 to 3.8 per cent.

# Sequoit Cagers Squeak By To Hold Conference Lead

Antioch's hopes for a conference championship were barely kept alive last week-end as they edged Grayslake 78 to 74 on their home court Friday night and then just slipped by an aroused Wauconda team Saturday night, 62 to 60, at Wauconda.

The Sequoits forged ahead into a 12 point first quarter lead against the Rams and held a 43 to 31 advantage at halftime. The Sequoits continued to increase their lead early in the third period and with a little over four minutes remaining in the stanza they held a comfortable 55 to 37 margin.

At this point the Rams caught fire and began whittling away at the deficit. Reserve Doug Killman came off the bench and kept the Grayslake rally going as the Rams finally tied the score at 59 all.

Grayslake took the lead at 66 to 63 with a little over three minutes remaining when the Sequoits finally got going again. Tyrone Walls, Vic Rogers and Bernie Smith teamed together for 11 points in the final minute of play to set the final margin.

It was pretty much the same way at Wauconda Saturday night as the Sequoits held a 35 to 27 lead at the half only to lose it in the third period as the Bulldogs outscored them 22 to 16 for the stanza.

It was nip and tuck from then on with the lead changing hands many times in a low scoring fourth period. Two clutch free throws by Wally Henning in the final minute of play gave the Sequoits the necessary margin.

Antioch controlled the boards in both contests, out-rebounding Grayslake 44 to 16 and Wauconda 34 to 19. Vic Rogers did the heavy work, collecting 26 rebounds for the two sessions.

Rogers led in scoring for the sessions with 33 points against Grayslake and 17 against the Bulldogs. Walls followed with 15 and 14 for a total of 29. Bernie Smith collected 24 points, 20 of them against Wauconda.

## SEQUOIT OF THE WEEK

Bernie Smith dumped in 20 points Saturday night in the Sequoits' close battle with the Wauconda Bulldogs to earn selection as Sequoit of the Week. Smith also accounted for 10 rebounds to trail Vic Rogers in this department.

Bernie resides at Channel Lake with his parents and is studying Math, English, Typing, Physics and Government in school. He is undecided about his future plans but he does have a desire to become a commercial pilot.

Bernie has been hampered for much of the early part of the season with an injured foot, but in the past few ball games has shown the ability

## New Fishing Club Opposes Ice-Fishing Season on N. Pike

A new fishing club for the Lakes area was organized at a meeting on Sunday, Jan. 10, at Stanley's Resort at Channel Lake.

According to a letter from Robert Lang and John D. Engnath, two of the prime movers in organization of the new club, it was formed with the expressed desire to improve the fishing in the Northern Illinois area and to prevent Northern Pike ice fishing.

The recent move by the Northern Illinois Conservation Club to persuade the State to declare an open season on Northern Pike for ice fishing evidently precipitated formation of the club. NICC members are circulating petitions to submit to the State Conservation Dept. for this purpose.

The new fishermen's club has laid out a program of general aims for improving fishing conditions in the Chain, in addition to opposing the ice fishing season on Pike.

Officers were elected at the organization meeting of the club. They are: Robert Lang, president; Terry O'Malley, vice president; Robert Holiday, secretary, and Robert Svoboda, treasurer.

## Sequoit Malmes Drop Two Matches

Antioch's wrestling team had their problems over the weekend as they dropped a match with Arlington Heights Friday night 32 to 5 and then Saturday lost to Grayslake 20 to 9.

The only winner for the Sequoits against Arlington was Brad Ipsen. Against Grayslake Knutsen, Ipsen and John Sheppard took decisions to account for the Sequoits' 9 point total. Sheppard managed a draw at Arlington and still remains undefeated for the season.

The Soph squad lost their end of the match at Arlington but took the win at Grayslake Saturday.

## Sequoit Sophs Win, 58-52

Balanced scoring and good rebounding were enough to give the Antioch Soph squad a 58 to 52 overtime win over Grayslake Friday night on the Sequoit court.

Don Zeman led the Sequoit preps with 14 points but he was closely followed by Jim Hittfield, Lenny Clark and Fred Gras with 10, 11 and 12 points respectively.

Antioch held a comfortable 28 to 17 lead at halftime, only to see it fade away in the third quarter as the Rams hit for 20 points while holding the Sequoits to 9.

With the score knotted at 37 all at the end of the third period both teams lit for 15 points in the final stanza to send the game into overtime. Antioch got six points in the extra time while their hustling pressure defense held the Rams scoreless.

Antioch had 22 of 38 attempts at the charity line and 18 of 54 from the field. The Antioch quint lost another thriller Saturday night to Wauconda 48 to 46 on the winners' court.

Bill Ozga, Antioch, now attending Stout University in Wisconsin, was the hero of a recent basketball game there. Stout was playing Oshkosh, and young Ozga came up with a key basket. His clutch shot came with only 1 minute, 10 seconds left in the game, and gave Stout the win.

Ozga, the only junior on the squad, scored 17 points in the course of the game. Bill is a graduate of Antioch High School, and was a member of the basketball squad here. He is studying architecture at Stout.

## Bowling Match Nets \$180 For Rescue Squad

The benefit bowling match at the Antioch Bowl last Sunday afternoon netted the Antioch Rescue Squad \$180 in contributions.

Paul Zima, 1960 All-Events Champion and proprietor of the Twin Lakes Bowling alley, bowled a pre-match game against Whitey Cox, well-known Lake County bowler, Gabby Hartnett, who was to have taken part in the game, was unable to be present because of the death of his sister.

Cox and Zima agreed to donate \$1 for each strike tossed by the other. Whitey managed to extract \$5.00 from Zima's pockets during the game; Zima had two strikes, so Whitey donated \$2.00.

The main match pitted the Old Fitzgerald team against the Antioch All-Stars. Old Fitzgerald won two games of the three-game match. Bowlers and their scores are:

The Tiger of the year was just named Car of the Year by Motor Trend.

If that isn't enough of a hint, try Quick Wide-Track. (This is their year.) Or Turbo Hydra-Matic, the new transmission you can order that does away with roaring between shifts. Coupled with the quicker engines for the '65 Pontiac, it saves the roaring for whenever you need it. When you don't, the extra-potent engines let you just loaf along. And this loafing gives you the kind of economy you wouldn't expect from a looker like the '65 Pontiac. See your Pontiac dealer. He'll show you all 32 Pontiacs that are the "Car of the Year." They're the buy of the year, too.

## Lindenhurst News

By Mrs. Bernice Barnau  
Editor 6-5649

**Woman's Club Meeting**  
James Bradley, principal of B. J. Hooper school, spoke to the members of the Lindenhurst Women's Club at their monthly meeting, on the need of a Junior High School in Lake Villa. The school would be located on McKinley Avenue, near the Methodist church. That spot would be centrally located. That is why Lindenhurst was not decided upon.

Student enrollment has risen from 89 in 1946 to 1211 in 1962. They expect to have 1400 students by 1968. Hooper School has 614 children attending at the present time. The Lake Villa School has 133 sixth grade students, 135 seventh graders and 113 eighth graders. Counting the kindergarten classrooms, there are 28.5 children in a room. The site has already been bought and paid for. The new Junior High would be a two story building and have 15 classrooms.

Mrs. Paul Ireland installed the new officers for 1963. Mrs. Douglas Ploss, the new president, immediately asked for volunteers for the various committees.

Mrs. George Zaneck and Mrs. William Guzski volunteered to serve on the membership committee, as co-chairmen.

Mrs. Milton Lazansky, refreshment committee chairman. Mrs. Raymond Parpan, Scout news.

Mrs. Ireland is chairman man of the Western Hoe Down dance that the Women's Club is sponsoring this Saturday night, Jan. 23 at the Lindenhurst Phannentill as caller. The public is welcome. Refreshments will be available.

The ladies sang "Happy Birthday" to Mrs. Lazansky, who was the only January Birthday lady.

Members have been asked to bring a can of food to each meeting to make up an Easter basket for a needy family. Four were given out by the club at Christmas time.

**Grandmothers' Club**  
Eight members of the Lindenhurst Grandmothers' Club enjoyed lunch at the home of Mrs. Nina Bailey on Loom Lake road last week.

**Twin Club**  
After reading about the

12 sets of twins we have in Lindenhurst. Mrs. Robert Rozhon is interested in forming a twin club or becoming acquainted with other mothers of twins. Mrs. Rozhon's daughters, Rhonda Lee and Roseanne Lynn, are the youngest of the group, having been born last July 16. She would like very much to meet and talk with other ladies to discuss how they manage with their little ones. She will be anxiously waiting to hear from you ladies, so please phone her at Elliot 6-8447. Afternoons might be most convenient, but anytime would be all right.

**St. Mark Lutheran Church**  
New members will be welcomed to St. Mark Lutheran Church next Sunday at the 10:30 worship service. A coffee hour will follow.

There will be an ice skating party for both confirmation classes next Sunday, Jan. 24, starting at 1:30 p.m. A pizza supper will be served at the church following.

Orientation membership class will be organized Sunday afternoon, Jan. 24, at 4 p.m. Rev. Harold Nelson is the pastor.

The annual business meeting of St. Mark Lutheran Congregation will be held Sunday evening, at 7:30.

Russell James, infant son of Mr. and Mrs. James Wolter, and Kristina Maria, infant daughter of Mr. and Mrs. Buford Preston, were presented at the font during worship service Sunday morning.

**Prince of Peace Church**  
From Prince of Peace Church Bulletin:

Ten Commandments for Parents:

1. Thou shalt guard thy children in the home and on the street.

2. Thou shalt make thy home a sanctuary of love and devotion.

3. Thou shalt honor the teachers of thy children and teach thy children to honor them.

4. Thou shalt not condone the faults of thy children.

5. Thou shalt teach thy children respect for law and order.

6. Thou shalt not lead thy child into temptation by providing him with too much money, a car and adult privileges (drink).

7. Thou shalt enforce decency in the dress of thy daughters and dignity in the dress of thy sons.

8. Thou shalt protect thy morals of thy children from indiscretion.

Thou shalt conduct thine own affairs in such manner as to set an example of imitation by thy children.

10. Thou shalt not permit thy child to bear arms, except in the service of their country.

**It's a Boy**

Mr. and Mrs. Jim Nikolai of 76 Rolling Ridge Road are the parents of three boys, with the birth of Brian Scott, on Jan. 9 at St. Therese Hospital. The little shaver weighed in at 7 lbs., 4 ozs. In case you don't recognize the name, Jim is the owner of the barbership in Linden Plaza. Anxious to welcome their baby brother are David 3 1/2, and Jimmy 2.

**New Neighbors**

We welcome Ronel and Iris Hedden to the village this week. They purchased the Kovanda home at 1812 East Longmeadow Dr. and moved in January 2. They formerly

lived in Waukegan.

In case you wondered why all the cars were parked on Pinecrest and Whiteoak recently, it was because Mrs. Hedden was having a bridal shower for her sister, Miss Sharon Krueger of Petite Lake Highlands.

**Birthday Parties**

Karen, Linda and Chuckie Schriyer, Nancy Ziata and Joe Bourque helped Ronald Speigl celebrate his 7th birthday Jan. 12.

Grandmother Angelina Mule, Aunt Sari Plotzke and her family and Aunt Grace Gnoffo and her family were around the dinner table Saturday night to wish Jeff Koehler a happy birthday to mark his 10th birthday. Jeff is the son of Spike and Pearl Koehler.

**Home Again**

Mrs. Harold (Bunny) Kurzin, 2015 E. Rolling Ridge Lane, has moved back to the

village. She moved to Madison, S. D., two years ago when her husband passed away. Mrs. Kurzin is teaching school part time in the area.

**Hospital Patients**

Scotty LaChance, 9 years old, was a patient at Victory Memorial Hospital for four days last week when he fell at school and broke his ankle. The Lake Villa Rescue Squad rushed him to the Antioch Clinic and then to the hospital. He fell over Dennis Stanley, who also had fallen.

Mrs. Mina Claessens was still in Victory Monday after being there 22 days. She is receiving tests, treatments and X-rays after she fell.

Twelve-year-old Sherry Thompson has a very badly burned face and neck after hot grease she was going to use to pop corn accidentally got splashed on her.

Mrs. Chester Roe and Mrs.

Merle Larson are home from the hospital and report that they are recovering rapidly. Mrs. Walter Bell is at St. Therese for surgery. Mrs. Marge Awe has a broken leg on rib. To all these sick and shut-in folks, we hope you all will enjoy a speedy recovery.

## ANNOUNCEMENTS

**LOVING MEMORIES**  
Your gentle face and patient smile  
With sadness we recall  
You had a kindly word for each  
And died beloved by all.

Your voice is mute and stilled  
your heart,  
That lived as well and true  
Ah, bitter was the trial to part  
From one so good as you.

You are not forgotten, loved one,  
Nor will you ever be,  
As long as life and memory last  
We will remember thee,  
The Henry Atwell Family (30)
